At our core, Enactus is made up of students like you, seeking to enrich their communities by tapping into their entrepreneurial spirit and taking action. Our projects generate sustainable solutions that rejuvenate communities and give hope to those who need it most, not to mention look impressive on any résumé.

Enactus students, educators and the executives who support Enactus form a strong network that is changing the world for the better. Like you, they are passionate, ambitious and driven to effect positive change, starting in their communities and working their way up – ultimately shaping the world of business for the better in the process.

Enactus encourages students to see opportunity and take action to improve the world around us.

If you’re ready to turn opportunity into action, join us. Local Representative:
